DATE OF INFO. [REDACTED]

PLACE ACQUIRED [REDACTED]

1. Excavations are in progress on the Csörsz utca in Budapest. Vertical drilling machines have been observed in operation and it has been reported that the engineers operating these machines were greatly interested in the earth cores brought up by the drill bits. It is rumored in Budapest that a large subterranean shelter or factory is being built in this area.
2. Late in April 1952, the Hungarians evacuated a block of buildings on the Otthon utca near the south railroad station in Budapest. The reason for the evacuation is not known.
